"we have a vision to end child abuse"

Mary was five years old when she was brutally, sexually assaulted. She lived with trauma, anxiety, nightmares and tumultuous relationships for over 2 decades before seeing a trained counselor. Today, through a bitter-sweet smile Mary explains, "My journey of healing continues yet without the support of F.A.C.E.S. I don't know where I would be today. Now, I realize the abuse was not my fault. In-fact, this support has paved the way to my future career- and for this I am grateful."

Dear Friend & Supporter,

May this letter find you and your loved ones well as we move into a new year. During this time of giving, we ask that you help save a child like *Mary* from the trauma of abuse.

Each day, **5 children die due to abuse & neglect** while an average of **1 in 5 children will be sexually assaulted** before turning 18 years of age. Although the statistics are daunting, each of us has the ability to partner in the journey to STOP THE SECRETS OF ABUSE. Clearly, prevention, education, and counseling are critical components toward a successful plan to end abuse. Thus, today, [I am asking for your help with our Annual Appeal to STOP THE SECRETS OF ABUSE.](#)

**F.A.C.E.S. (Faith, Accountability, Community, Education and Services)** is a charitable organization & registered 501-c-3 with a vision "to end child abuse" through prevention, outreach, education, and counseling services. For nearly three decade, advocates with over 130 years of experience in trauma work have been driven toward a vision to end child abuse. [Today, I proudly ask for your commitment of a donation to help us reach a critical goal while strengthening our community.](#)

Through [a donation within your means](#), you will directly impact our ability to raise awareness and \$182,500 toward the *Hope Campaign* to STOP THE SECRETS OF ABUSE. [Achieving this goal allows us to provide 5 prevention and supportive sessions each day for one year in honor of the 5 children who lose their lives each day due to abuse and neglect.](#) Uniquely, we are **NOT** dependent on government funds. Thus, without your private support, we are unable to provide quality services impacting hundreds of children and families.

Please consider supporting an end to Abuse by offering a donation on behalf of those we serve, thank you for giving *Mary* and other survivors a voice.

God bless you and yours!

*Jennifer Grube*
